

We'll be at The Parcel Forum '21 Trade Show

ID Parcel & Mail Solutions will be attending the Parcel Forum trade show September 14-16 in National Harbor, MD. For those of you that are not aware of the show, Parcel Forum is known as the essential learning event for ecommerce-centric (b2c) and business-to-business (b2b) shippers.

For those attending, please stop by and see us. We'll be at booth #304. For those that have not planned to go, there is still time to register by going [here](#). Discounted rates end today.

Here are three reasons to stop by our booth, or to call us to discuss your parcel & mail automation system needs:

1

We Can Help You Break Into Automation

ID Parcel & Mail Solutions has a range of parcel and mail sortation automation solutions that make it affordable to move from manually sorting parcels and mail to automating the process.

2

We Do More Than Just Build Systems

We deliver a comprehensive solution by employing a holistic approach that addresses the full range of project needs including design, configuration, delivery, installation, training, service, and support.

3

Our Experience Translates to Value

We bring intimate, valuable knowledge of the mail and parcel automation industry and the technology required to optimize the process. This is critical when designing a system that delivers real value.
